Abstract The University Budget and Planning reports from 1975-1991 is organized into three series as originally organized and transferred by the Office of Budget and Planning: IAR, Retention Reports, and AD. Most reports focus on enrollment, student demographic information, and grade point averages for a specific semester. It is unclear what each acronym stands for, but it is assumed that AD is Athletic Department; SU, summer semester; FA, fall semester; WI, winter semester. The Office of Budget and Planning is now part of the University Budget Office.
